

ABC-CLIO Solutions & History Hub Nominated 2019 CODiE finalist!

CODiE Awards graphic

We are thrilled to share with our community that ABC-CLIO Solutions databases and our educator resources community site, History Hub have been nominated as 2019 CODiE Award finalists for [Best Social Sciences or Social Studies Instructional Solutions](#).

For over 30 years, the CODiE Awards have honored thousands of software and education products for achieving excellence and innovation in technology. The 2019 finalists represent the very best products and services on the market that reflect the latest industry trends in education technology. Finalists were also reviewed and nominated by a team of expert judges, leaders in the education field, which makes this nomination so meaningful to us.
