

Soft Skills for the School Librarian • Developing Cultural Competence

Culturally Responsive Leadership

Read “Culturally Responsive Leadership in School Libraries” by Laura Summers and use the table below to reflect on your current position along James Banks’ four levels of multicultural curriculum reform. What steps can you take in your library to progress further along the continuum?

James Banks’ Levels of Multicultural Curriculum Reform			
	How would you summarize this level?	How are these concepts currently apparent in your library?	What are some actions you can take to improve in this area?
1: Contribution			
2: Additive			
3; Transformational			
4: Social Action
